

Join us at the

OCEAN Community Conference & Rally

Ending Preventive Detention through Education and Action

OCEAN¹ is hosting their Community Conference at Capital Mall in St. Paul, Sunday, July 18, 2021. At this gathering, a lineup of speakers will educate the public on the terrors of preventive detention in the state of Minnesota. The first speaker will be introduced at 1:00 PM. If you can, please bring your own chair

At 3:30 PM we will walk/drive to the Governor's Mansion, where we will demand an Executive Order from Governor Tim Walz to shutdown preventive detention in Minnesota.

The current conditions are ripe for mass incarceration. We must stand for the rights of others if we are to protect our own. We look forward to seeing you there. To learn more, go to **thevoicesofocan.net**

¹ The OCEAN Community Conference & Rally is hosted by Overcoming Corruption Empowering All Nations (OCEAN) and the OCEAN Affirmative Action Coalition (OCEAN Coalition). OCEAN is the group of individuals fighting against preventive detention from inside the facilities they are detained. The OCEAN Coalition is the group of free world organizations and individuals assisting those detained. Together, they are educating the public and ending preventive detention in America.

Re: Invite to OCEAN Community Conference and Rally on July 18, 2021

Dear Mr. Logue,

In America we value the protection granted to us all by the Presumption of Innocence. But 743 men and women are indefinitely detained for crimes they *might* commit and taxpayers are paying over \$100 million a year to fund it. Minnesota's Shadow Prison must be exposed and abolished.

This summer, OCEAN is hosting the OCEAN Community Conference and Rally on July 18, 2021 at Capital Mall. The first speaker will be introduced at 1:00 PM. At 3:30 PM we will march/drive to the Governor's Mansion to demand an Executive Order that will abolish preventive detention in Minnesota.

We could always use extra help. If you or anyone you know would like to speak at the event, let us know. Also, you can donate at our website. Thank you for all your help with this event. We hope you will join us. We look forward to seeing you there.

Sincerely,

Jeremy Bilder, OCEAN Event Coordinator
