

ONCEFALLEN.COM INTRO FOR WISCONSIN PRISONERS

LAST UPDATE 04/03/2024

Please read this intro for everything I do & don't do. I answer direct questions to me through Corrlinks, by letter, or even by phone (cannot accept collect calls). I CANNOT sign up for a GTL/Viapath (aka the "Getting Out" service that WI prisons are switching to in 2024). You'll have to send me a physical letter in the mail if you want a response.

Mail - Derek Logue, 2211 Co. Rd. 400, Tobias NE 68453

Email – iamthefallen1@yahoo.com

Phone – (513) 238-2873 (NO collect calls)

I'm a one-man operation, so please do the following when contacting me to ensure I can respond to your requests in a timely manner:

- Please write legibly (print rather than cursive, & no fancy script). Typed is best.
- ALWAYS place your return address on your letter EXACTLY as the prison wants it listed in order to ensure you get a proper response, EVEN IF you've written me before.
- If requesting info, be sure you have the RIGHT return address for standard mail (the Phoenix MD address). Also be aware that many prisons place rules on mail (Examples: 5 single sided pages, 5 double sided pages, cannot use "security lined" envelopes, only B&W stamps, etc.) Even if you've written me before, please add reminders to prison mail policy if making a request.
- Make checks/ MOs out to Derek Logue for donations/ paying for printouts; if sending stamps, please send stamps I can easily peel & place on envelopes. For every 5 pages printed that's a stamp.
- If sending SASEs, do not place your mailing labels on them, as your prison will reject them. Write out your return addresses on the SASE.
- If a letter is returned to me, I may try resending once. If it returns a 2nd time I give up.
- Rude, inconsiderate, & ungrateful people will be blocked with zero warning. Be patient—I take hundreds of inquiries annually without assistance, & the mail is also slow. I am a one-person operation; I respond to each letter personally. While you can receive a response in as little as a few days depending on mail efficiency, please allow up to 2 months for a response.

ABOUT ONCE FALLEN

I am Derek Logue, Registered Person & activist since 2004, & host of the registry law info site OnceFallen.com since 2007. I have a bachelor's degree in Justice Studies (Athens State U. in AL) & have made a handful of media appearances over the years, including the Dr. Drew show, Russia Today, & CNN, as well as various local media outlets across the US. I engage in public demonstrations as well as speaking before lawmakers. I am regarded as one of the most knowledgeable individuals on the subject of "SOR" Laws in the US. I treat this as a full-time job, despite not being paid or funded in any way save for a handful of donations.

My primary function is running the Once Fallen informational site, which includes collecting, organizing, & writing articles on various topics related to the registry, residency restriction laws, or other issues of primary concern of those forced to register. All of the information found on my website www.oncefallen.com is free to the general public for non-commercial use (i.e., personal reading & research, sharing with others, using pages as part of info packets when writing to legislators, & similar uses).

What we **DO NOT** offer under ANY circumstances:

- **Legal Services, appeals issues, prisoner rights & attorney referrals:** Any opinion I offer is just my opinion as an activist with some legal knowledge. State Bars or Legal Aid societies offer these services; do not send me your legal paperwork.
- **News on sentencing guidelines, prison-related issues or legal news not relevant to SO laws:** We may cover a subject related to these issues from time to time but will not be able to answer questions related to these topics;
- **Pen Pals, People-Finding Services, or message forwarding services of any kind;**
- Resources are limited, so I **will not print out entire legal statutes or court cases for you** except in limited circumstances & will require payment for such requests if I can fulfill them;
- **A site for posting prisoner essays & letters**, see below for orgs that offers this service. Please don't send me your life story.

WI INFO PACKET

In June 2022, I updated an informational packet with housing leads (currently one lead in Milwaukee, wish I had more), a summary of the WI state law, rules for supervision, lifetime GPS, polygraphs, & info on civil commitment. It is 20 pages long & I do update the packet regularly. It is also available as a PDF file on my website (along with other free info for prisoners). For those with friends on the outside willing to print up this info for you or my Informational Corrlinks Newsletters (ICoN), the direct link to the ICoN page is -- <https://oncefallen.com/icon/>

PLEASE NOTE BEFORE REQUESTING THE INFO PACKET: While I don't charge money for the printout, I ask for stamps to help offset the cost since stamps are the most expensive part of what I offer. If your facility places no limits on prisoner mail, **I can send you the info packet for 2 stamps or two SASEs**. If your facility limits the printouts to 5 sheets of paper but can be double sided, it is just two stamps/SASEs. But if your facility limits letters to five single sided sheets, it takes 4 stamps/SASEs to mail this out. Send the stamps/SASEs to the address above. Either way, I ask for stamps to offset the costs of sending these packets; I'm already providing the ink & paper & the research.

While I cannot provide the Informational Corrlinks Newsletters (ICoN) to WI prisoners through your email due to costs, I consolidate 6 months' worth of ICoNs & send them out by mail. They're also around 20 pages each. I only print & send the most recent ones on request (due to cost & time issues), but if you have friends who can print things out for you, all previous ICoNs can be found free of charge through the link I provided above.

YOUR LIFE ON "THE LIST" Edition 3 (Paperback – January 25, 2023) by Derek W Logue

“Your Life on The List: Edition 3” is an updated registry survival guide, covering a variety of common concerns like housing, employment, compliance checks, travel, & other common questions. It also contains a housing list & a comprehensive overview of the registry, residency/ proximity laws, & other post-conviction laws you may experience as a Registered Person. If you are preparing for release, I strongly encourage you to order a copy to be better prepared for release. In fact, I encourage everyone to order the book BEFORE requesting the other guides I offer by mail, since the info in my book contains most of the info I offer elsewhere (the housing list, however, is frequently updated on my website). There are two ways to obtain a copy of “Your Life on The List” by Derek W. Logue:

Physical copies: Physical copies of the book can be purchased from major retailer Amazon.com (the publisher) for \$14.95 plus shipping/tax

The link to the book on Amazon is:

<https://www.amazon.com/Your-Life-List-Derek-Logue/dp/B0BSZWQCWV/>

As Free PDF Copy: A free PDF version is available from OnceFallen.com; a link is prominently displayed on the front page (big green button that says PFD Version (FREE)” or share the following link:

“The Anti-Registry Activist Manual: A Guide to Effective Advocacy” (February 23, 2022) by Jonathan Grund

The Anti-Registry Activist Manual is a teaching & reference handbook for those who want to become involved with fighting post-release sanctions or are new to anti-registry advocacy. There is no free PDF copy of the book, but a copy can be purchased for \$13.50 on Amazon.com:

<https://www.amazon.com/Anti-Registry-Activist-Manual-Effective-Advocacy/dp/B09T893TNR/>

Amazon raised the threshold for free shipping in August 2023 from \$25 to \$35. If you don’t have a friend with Amazon Prime, shipping for orders under \$35 is usually \$5.99 for one book, \$1 extra for each additional book. WI sales tax still applies even if someone orders from another state. If you don’t have friends who can order books for you, I can do it on your behalf if you send me a \$25 for one book or \$42.50 for 2 books to cover costs. However, contact me first before doing this. Due to lack of funds, **I DO NOT offer free copies of my book**, so please don’t ask.

EXTERNAL RESOURCES LIST

Some facilities are banning/censoring certain resources for various violations of their policies. Please check the rules of your institution before writing any of the resources to see if they are on the banned list. Also, my listing here does not imply these organizations mutually support each other, nor can I guarantee each group will be helpful to you. Info here is subject to change.
