

TEXAS MUNICIPAL ORDINANCES IMPACTING PERSONS FORCED TO REGISTER COMPILED BY DEREK W. LOGUE OF ONCEFALLEN.COM, UPDATED 8/14/2025

About: This is a short version of the TEXAS MUNICIPAL ORDINANCES DATABASE. This shorter version contains only the municipalities known to have ordinances currently on the books. A link to the full report can be found at: <https://oncefallen.com/local-level-ordinances/>

ACCURACY AMID EVER-CHANGING LAWS: This chart was created with the purpose of reviewing existing municipal codes and ordinances placing restrictions on Persons Forced to Register (PFR). While the intent is research into the spread of ordinances, it is understood some people may use this to research areas in which a PFR may find housing. However, municipal/county codes can change any time, and some municipal codes recently passed may not be reflected in this report; this report was limited to available information found online. It is not intended to take the place of sound legal advice. Check municipal laws and contact local registry offices before you move to any community in Texas. I've taken every step to verify info by direct review of city/county codes but if you find any errors or found a community where new laws have passed, please email Derek Logue at iamthefallen1@yahoo.com

STATEMENT OF FAIR USE: Anyone can use the results of this report without my express written consent EXCEPT if republished for commercial purposes (specifically, to plagiarize this work & resell it as if it is your own work. Commercial entities can contact me at the email listed for permission for use.) It can be used for your own personal research & you can base research papers off this report with credit to the creator of this report and link to the website added. Private individuals, businesses or organizations (including institutions of incarceration) can freely print and distribute this report for persons who will be impacted by these laws.

SUMMARY OF STATE LAW: The state of Texas does not have a statewide residency restriction law. However, for "the Texas Constitution, Art. XI, §5 and Local Gov't Code, Ch. 51 ("General Powers of Home-Rule Municipalities.") grant "home rule" cities (pop. 5000+) broad powers to govern themselves, including the authority to adopt and enforce their own ordinances. In 2017, Texas passed a law allowing "general-law municipalities" (pop. <5000 people) to pass local residency & proximity restrictions of UP TO 1000 feet ("in, on, or within a specified distance"). "Child safety zone" means premises where children commonly gather. The term includes a school, day-care facility, playground, public or private youth center, public swimming pool, video arcade, or other facility that regularly holds events primarily for children. The term does not include a church. (See Texas Local Gov't Code § 341.906 (Acts 2017, 85th Leg., R.S., Ch. 997 (H.B. 1111), Sec. 3, eff. 9/1/2017)). As of the completion of this report, unincorporated areas are not allowed to make restrictive ordinances; thus, only incorporated communities are allowed to pass sex offense residency and other restrictions at this time.

HOW TO READ THIS REPORT: There are 1,225 municipalities & 254 counties in Texas. Some of the ordinances may not align with Texas Local Government Code § 341.906; however, I posted the local ordinances as it appeared online at the time I reviewed the laws. There are always some exceptions to the rules. To see if you qualify for an exception to an ordinance, consult local authorities or review the ordinances. The chart will offer the following info:

- **City:** Name of municipality
- **Co.:** County where municipality is located
- **Pop.:** The population of the community per the 2020 US Census
- **RRs:** Residency Restrictions. Number is distance in feet; if there are no restrictions, the segment will say "No". If an ordinance cannot be located and thus unable to be confirmed in this report, a Question Mark ("??") will be placed here.
- **PRs:** Presence Restrictions and Anti-Loitering Laws, distance in feet; if there are no restrictions, the segment will say "No". "OP" here means "on premises"
- **HH:** Halloween & Holiday Restriction Laws. See Definition.

- **App2:** Who the ordinance applies to; in some cases, ordinances apply only to those labeled SVP or to offenses against those under a certain age. There are generally additional exceptions to the restrictions; please see the municipal code for details.
- **Code/Ord.:** The place in the municipal code where the most current code or ordinances can be found as of the date of this publication or update. Occasionally, municipal codes can be rewritten and hence the numbers can change.
- **Prohibited areas/ additional notes:** The list of prohibited areas and any additional points of interest in the municipal code, such as employment restrictions, work permit bans, or registry fees. Additional notes include: work, employment, or license prohibitions, as well as anti-clustering laws & any requirements to post signs on your personal property. Some only apply a few years after conviction OR release for jail/prison/supervision date, whichever comes later. For those ordinances with a set time frame on the prohibition, the years are shown in the additional notes.

GLOSSARY: Terms used either in this report or terms commonly used in the municipal codes reviewed in this report:

- **§:** This symbol that looks like two interlocked S letters is known as the “section symbol”; it is thus used in legal circles as shorthand for a section; two §§ symbols together generally means “subsection”
- **Adjacent:** “Next to”; in terms of residency and/or proximity laws, it means property adjacent to a prohibited area.
- **Anti-Clustering Law:** A law that states that a Registered Person either cannot reside in a building or live within a certain distance of another Registered Person. This is often used to target properties renting to multiple Registrants.
- **Child:** See “Minor.” However, some ordinances use the term to denote offenses against those under a certain age yet separate for an offense against a minor, and child is used as the lower age between the two.
- **Child Safety Zone (CSZ):** A set distance from the edge of a premise where children gather where Registered Persons cannot reside, loiter, and/or travel through, depending on the ordinance. This is done in a straight line, property line to property line.
- **Child Pornography (CP):** An offense involving pictures or representations of anyone under 18 under federal law, regardless of the age of consent. Some newer ordinances may use a similar term “Child Sexual Abuse Images” (CSAM) but most still use this term.
- **“Child Sex Offender”:** Individual who has been convicted of, or placed on deferred adjudication for, a sexual offense involving a person under a certain age, generally between 16-18 years of age
- **Exceptions:** Many municipal codes contain exceptions to the ordinances. The most common exceptions to the rule include the Registered Person being a minor or was a minor at the time of the offense, or if the Registered Person established a residence either before the ordinance passed or before an establishment that forms a “premises where children gather” is built. I cannot possibly cover every exception in this report; please consult the municipal code for details on exemptions.
- **Habitual Sex Offender:** Generally, a person convicted of sex offenses on more than one occasion. A more specific definition used in some ordinances, reads: “any offender subject to registration under state law, who has for a ‘sexually violent offense’ been convicted two (2) or more times, received an order of deferred adjudication two (2) or more times, or been convicted and received an order of deferred adjudication or any combination thereof & is required to verify every ninety (90) days in accordance with the Texas Code of Criminal Procedure, Art. 62.058.”
- **Halloween/Holiday Restriction:** Some communities prevent Registered Persons from participating in certain activities at Halloween or child-focused holidays. These can include bans on wearing costumes or masks, decorating for Halloween, passing out candy, keep porch lights on during Trick or Treat hours, and/or going to/participating in certain events. It may even include posting a notice on your lawn.
- **Itinerant merchant:** Any person without a permanent business establishment within the city who engages in a temporary business of selling, offering for sale, renting or offering for rent any goods or services from a permanent, established structure.

- **Loitering:** Remaining in a public or private place for no apparent purpose, or with no lawful business. This is less restrictive than a full ban on being present in a prohibited area. Note: not every municipality makes laws specifically outlawing loitering as a Registered Person, but there may be anti-loitering ordinances that apply to everyone.
- **Minor:** In state law, for purposes of determining sex offenses against a minor, the age is 17; however, local ordinances can vary between ages 16 through 18. This generally includes child pornography-related offenses regardless of age. However, it must be noted that some municipalities use “child” and “Minor” when setting different ages for restrictions, with “Minor” being the higher age.
- **“OP”:** “On Premises”, i.e., anywhere on the property of a prohibited area
- **Park Ban:** Used in this report to denote that Registered Persons are not allowed to enter a park. There may be exceptions in some municipalities that allow entrance into a park if no minors are present or the RP is the parent of a minor in the park but not all municipalities have these exceptions.
- **Presence Restriction (PRs):** An ordinance specifically preventing entry into or loitering into a child safety zone or prohibited area. While anti-loitering laws allow for some legitimate purpose for being in a restricted area, some ordinances are more rigid.
- **Residency Restrictions (RRs):** An ordinance specifically preventing setting up a permanent or temporary residence within a child safety zone or prohibited area. Each municipal ordinance has its own definition of residence.
- **Premises where children commonly gather (PWCCG):** A list of locations that are off limits for Registered Persons to enter, be present at, loiter, or reside in or near. TX Local Gov’t Code §341.906 includes such locations as schools, day-care facilities, playgrounds, public or private youth centers, public swimming pools, video arcade facilities, or other facilities that regularly holds events primarily for children. However, the list is not exhaustive and many ordinances will add the statement, “including, but not limited to...” meaning more places can be added at a later time or may be arbitrarily decided upon after the move has been made. Some municipal codes give it the same definition as Child Safety Zone (CSZ)
- **Public Way:** A passageway, like a street, road, or alley that is open to the public and intended for travel. For purposes of restrictions, this means the entrance or path that leads to a prohibited location; in some ordinances, it may apply to the following places: streets, shopping centers, parking lots, transportation facilities, restaurants, shops and similar areas that are open to the use of the public.
- **Registered Person (RP, aka Registrant):** A Person Forced to Register (PFR) for inclusion on a public sex offense registry. Anti-Registry activists prefer not to use the term “sex offender” as it implies RPs are actively seeking to harm children in a sexual manner.
- **Sexually Violent Predator (SVP):** Under Texas law, the term “sexually violent predator” means a person who has been convicted of two or more sexually violent offenses, and who suffers from a behavioral abnormality that makes the person likely to engage in a predatory act of sexual violence. Generally, those given SVP status have been or at least eligible for “civil commitment.”
- **Short Term Rental/Housing:** This term generally means the renting of a room or house for periods of less than 30 days (such as an AirBnB or Vrbo rental); The term usually does not include: (1) A bed and breakfast; (2) A motel, limited service hotel, full-service hotel, or residence hotel; (3) A boarding house; or (4) A place for residence or use as a licensed health care or assisted living facility; however, a few municipal codes may add some or all of these to their definition of short-term rentals.
- **Temporary Residence:** Typically defined as a place where a person abides, lodges, or resides for a set period days in the aggregate (a total number of days) during any calendar year and which is not the person’s permanent address, or place where the person routinely abides, lodges, or resides for a certain number of consecutive or nonconsecutive days in any month or year and which is not the person’s permanent residence. This will be defined in each municipal code.

SUMMARY OF KEY FINDINGS IN THIS REPORT: Out of the 1224 incorporated municipalities in the state of Texas, we were unable to find 318 municipal ordinances/codes online (26% of Texas Municipalities). Only two “Home Rule” municipalities (Donna & Hidalgo, both in Hidalgo Co.) did not have municipal ordinances posted online; this report covers 99.4% of Home Rule municipalities. This report also covers 553 of the 869 “General Law” municipalities (63.6%). The percentages below are based on the number of the 906 ordinances/codes that were reviewed during the course of this survey. The smaller the community, the harder it was to find complete ordinances/codes.

Total Municipalities with a Residency Restriction ordinance	412 (45.5%)
“Home Rule municipalities” (5000+ pop.) with a residency restriction ordinance (out of 353 total)	230 (65.2%)

Smallest municipality with restrictions	Bonney (Pop.180)
Municipalities with some form of presence restrictions incl. park bans	164 (18.1%)
Municipalities with Halloween restrictions	109 (12%)
Municipalities that require signs in the yards	18 (1.8%)
Municipalities with anti-clustering ordinances	10 (1.1%)
Municipalities that ban the use of short-term rentals for housing RPs	21 (2.3%)
Municipalities with at least one type of license or employment ban	212 (23.4%)
License ban: Sexually-Oriented businesses	138 (15.2%)
Of those license bans for sexually-oriented business, number that extends ban to spouse	57 (6.3%)
Oldest Known ordinance: Galena Park (Harris Co.), date passed	3/17/2005
Year with most ordinances passed (87 total)	2006

- Of the ten municipalities with anti-clustering ordinances:
 - Two municipalities set the distance at 500 ft.— Crowley & Saginaw
 - Four municipalities set the distance at 1000 ft.: Fulton, Ingleside, Portland, & Taft
 - Two municipalities set the distance at 1500 ft.: Aransas Pass & Vidor
 - Two municipalities state two or more RPs can’t occupy the same dwelling: Dallas & Garland
- Of the eighteen municipalities that have sign ordinances:
 - Fourteen municipalities limit the posting of signs for Halloween” Clute, Danbury, Eagle Lake, Edinburg, El Campo, Freeport, Graham, Iowa Colony, Jones Creek, Lake Jackson, Mission, Olney, Olney, Van, & Wills Point
 - Four municipalities place no time limitations on the posting of signs, thus requiring signs at all times: Bay City, Cuero, Gonzalez, & Oyster Creek. Bay City also requires a mark on the RP’s vehicle.
- The five municipalities that repealed restrictive ordinances are: Hollywood Park, Mount Enterprise, Rhome, Shiner, Woodville. However, they may reinstate ordinances in the future.

In this shortened report, municipalities that don’t have residency restrictions, proximity/anti-loitering restrictions, or Halloween laws, but only have job/employment bans or laws prohibiting are excluded from this report but are included in the full report. The most common job/license bans include drivers for hire (taxis, Uber/Lyft, bus driver), sexually oriented businesses (ban can extend to spouse), or peddler/solicitor or related jobs; in addition, there may be a ban on using a residential short-term rental service like AirBnB or Vrbo.
