

**FLORIDA MUNICIPAL ORDINANCES AFFECTING PERSONS FORCED TO REGISTER (SHORT VERSION)****Database created by Derek W. Logue of OnceFallen.com, Most Recent Update: 8 Oct. 2025****FLORIDA STATE LAW**

Under Florida law, certain Registered Persons (RPs, i.e., persons forced to register for inclusion on the state's sex offense registry) are subject to residency restriction laws. The state's Residence Restrictions are found at: Florida Statutes (FS) §775.215

Florida conviction for offenses that occur on or after October 1, 2004, & for extra-jurisdictional/"out-of-state" offense for offense occurred on or after May 26, 2010: A person who has been convicted of a violation of FS §794.011, §800.04, §827.071, §847.0135(5), or §847.0145, regardless of whether adjudication has been withheld, in which the victim of the offense was less than 16 years of age, may not reside within 1,000 feet of any school, child care facility, park, or playground. State law also creates "Presence Restrictions" or proximity laws, i.e., laws that state you cannot loiter or be present at or near certain locations:

- RPs with conviction involving a minor cannot be within 300 feet "of place where children are congregating," & face restrictions on ability to be present in schools & parks with exceptions. FS §856.022
- For those whose offense was committed on or after May 26, 2010: It is unlawful for an RP to knowingly approach, contact, or communicate with a child under 18 years of age in any public park building or on real property comprising any public park or playground with the intent to engage in conduct of a sexual nature or to make a communication of any type with any content of a sexual nature. FS §856.022
- RPs on supervision cannot visit schools, child care facilities, parks, & playgrounds except with approval, & is there for religious reasons or if the parent of a child using the area. FS §948.30

WARNING! THIS DATABASE CONSISTS SOLELY OF ADDITIONAL RESTRICTIONS PASSED BY MUNICIPALITIES AND COUNTIES. EVEN IN AREAS WITHOUT THESE ADDITIONAL ORDINANCES, STATE SEX OFFENSE LAWS STILL APPLY! This short report is intended to be a just-the-facts review of known municipal ordinances as of 4/25/25. This database was created by reviewing every municipal or county code of ordinances available on the Internet. Many communities also post ordinances on websites like Municode (<https://library.municode.com/>), American Legal Publishing Corporation (<https://codelibrary.amlegal.com/>) and General Code a.k.a. eCode360 (<https://ecode360.com/>). Some have their own websites. A community is only listed in this database if the municipal or county codes have been personally reviewed. Municipal/county codes can change any time, and some municipal codes recently passed may not be reflected in this report. I've taken every step to verify info by direct review of city/county codes but if you find any errors, please email Derek Logue at [iamthefallen1@yahoo.com](mailto:iamthefallen1@yahoo.com)

This report is not a treatise on the legality of these laws, but there are two county-level cases in which Registered Persons were excluded from local residency restrictions on ex post facto grounds. (See *City of Fort Lauderdale v. Anderson & Ford*, CASE NOS. 17-003615M010A & 13-010799M010A (17th Jud. Ct. Broward Co FL (10/23/2018)) and *State v. Wright*, Case No. 2018-CO-352 (4th Jud Ct, Nassau Co FL (4/24/2020)). In both cases, residency restrictions were determined to be punitive in nature (i.e., it is punishment) and so constitutional safeguards apply, specifically, protections against ex post facto (i.e., retroactively applied) laws. (That is a secondary reason for publishing the date the code first passed.) If you move into an area with residency and/or proximity laws, you may have to file litigation to fight for the right to live in that location.

**EXCEPTIONS TO RESIDENCY RESTRICTIONS:** Just as there are some exceptions to residency restrictions in the state law, ordinances may list a number of reasons a Registered Person can live within a prohibited are, such as when the registrant was a minor at the time of the offense or that the registrant was living in a location before a place that creates a prohibition area was established. See the municipal or county codes for further details. Unlike the state law, which does

not apply residency restrictions to certain Registered Persons convicted on or after 10/1/2004 (or 5/26/2010 for certain offenses), most municipal or county codes lack an ex post facto prohibition statement. Only 6 municipal ordinances explicitly state the ordinances do not apply to those convicted before a certain date—Del Ray Beach, Ft. Lauderdale, Lauderdale Lakes, New Port Richey, and Pasco County use the same 10/1/2004 date as the state law, while Sunrise does not apply the ordinance to those convicted before 8/9/2005

**ADDITIONAL NOTES ON RESIDENCY RESTRICTIONS:** Most ordinances apply to prohibited areas outside the jurisdiction. This means if you live near the border of a city or county, and there is a school or other prohibited area near you but it is not in your city/county, it will STILL count as living in a “prohibited area” or “child safety zone.” Every ordinance with a residency restriction ordinance also prohibits landowners from allowing Registrants to stay for free/rent from them if their properties are within these prohibited areas.

### **HOW TO READ THIS DATABASE: CATEGORIES IN THE CHART**

- **City of Co.:** Unless noted otherwise, county codes listed here apply only to unincorporated areas.
- **County:** There are 67 counties in FL. Jacksonville/Duval Co. combines their gov’t, so the law applies to both equally.
- **Pop.:** Population of municipality
- **RRs:** Residency restrictions; Any distance from a listed prohibited area, in feet
- **PRs:** Anti-loitering or “Proximity Restrictions”; Any distance where you cannot loitering or be present within or near a restricted area, in feet.
- **Apply To:** The Registrants to which the additional rules apply. It should be assumed everyone listed as a “predator” is subject to the restrictions; however, in many cases, the law may state it applies to those convicted of offenses against those under age 16 (“Off<16”) or age 18 (Off<18); these restrictions usually applies to CP offenses as well. If they do not state any exceptions, it is assumed to apply to everyone forced to register. While not listed in this report, there are a number of exceptions to the ordinances. See the code for exclusionary details. Note: Some older codes may use the term “sexual violator” typically defined as offenses against someone under age 16 or 18 ut most modern codes abandoned use of this term.
- **Code or Ord.:** The section in the municipal/county code of ordinances where the ordinance can be currently located.
- **Prohibited areas:** There are few points to remember regarding restrictions:
  - The prohibited areas are almost always going to involve children; “places where children congregate” is a commonly used phrase in codes/ordinances and can denote any place the municipality or county deems to be used primarily by children.
  - Unless otherwise noted, prohibited areas generally only apply to PUBLIC areas; they don’t typically don’t apply to privately owned areas like a private park or playground unless stated in the ordinance.
  - County codes only apply to unincorporated areas unless noted; HOWEVER, some codes, like in Glades, Miami-Dade County, apply county codes to the entire county, including any incorporated area.
  - Additional notes regarding municipal/county codes impacting Registered Persons will be added to this section such as:
    - Emergency shelter provisions (identifying as a Registrant, an outright ban, and/or being forced into a segregated shelter, like the Co. jail)
    - Registry fees
    - Anti-Clustering laws (laws preventing RPs from occupying same bldgs. or within a set distance of another registrant)
    - Halloween/holiday activity restrictions as specifically noted in the codes (bans on passing out candy, dressing in costumes incl. the Easter Bunny or Santa Claus, and/or decorating houses, with exceptions)
    - Employment or license bans & restrictions, such as bans on working as a delivery/transportation driver (incl. taxicab, Uber, Lyft, etc.) or bans on use of “short-term rentals” (usually a service like AirBnB or Vrbo but may apply to a Bed & Breakfast or even Motels).

**\*Note: In this report, we use RP for ALL Registered Persons; we reluctantly use SP for “sexual predator as it is a state term for those deemed high risk.**

### ADDITIONAL COUNTY NOTES

**\*OPPPAGA:** The state's Office of Program Policy Analysis and Government Accountability (OPPAGA) conducts a triennial report on Registrants in the state; the most report is "Sex Offender Registration and Monitoring Triennial Review – 2024." This report did NOT rely on data from the report; our research was done independently. In a few instances, there was conflict between my findings and that of the OPPAGA's report. For further research, the OPPAGA report is online at <https://oppaga.fl.gov/Documents/Reports/24-11.pdf>

**BROWARD COUNTY:** In only three municipalities, the ordinance denotes that residency restrictions apply only to those convicted after the date the ordinance passed or in adherence to the statewide restrictions: Ft. Lauderdale (10/1/2004), Lauderdale Lakes (10/1/2004), and Sunrise (8/9/2005). Of the 31 municipal codes (not counting county codes), only six municipalities have residency restrictions of less than 2500 feet: Davie (2000 ft.), Ft. Lauderdale (1400 ft.), Hollywood (1000 ft.), Lauderdale-By-The-Sea (2250 ft.), Oakland Park (2250 ft.), and Wilton (2000 ft.) According to the OPPAGA 2024 triennial report mentioned in the intro, 426 out 1,249 Registered Persons (34%) living in Broward County are homeless. The only other county matching Broward County in amount of homeless Registrants is neighboring Miami-Dade County.

**HAMILTON COUNTY:** The OPPAGA 2024 report claims there is a countywide ordinance for Hamilton County but I cannot confirm this since there is no information about it anywhere online. None of the communities or the county have published their municipal codes online.

**HARDEE COUNTY:** Zolfo Springs notes it follows the county ordinance; the OPPAGA also states Hardee Co. has a countywide ordinance; however, Hardee County only posts the land development code online, which does not mention residency restrictions.

**HERNANDO COUNTY:** The OPPAGA 2024 report claims Hernando County's restrictions are countywide, but Sec. 21-232 of the Hernando County Code implies residency restrictions only apply to unincorporated areas.

**INDIAN RIVER COUNTY:** The OPPAGA claims Indian River County's residency restrictions/Sec. 306.06 ordinance is countywide; only the registry fee/ Sec. 306.07 ordinance is noted as applying countywide

**JACKSON COUNTY:** The words "shall apply...in the County" implies the county's 2500 ft. restriction includes incorporated areas.

**LEE COUNTY:** Any county/state/federal law that is more restrictive than those of Ft. Myers or Lee County is enforced over the limits in their codes (See Ft. Myers Code §50-146, Lee Co. Code §19-56)

**MIAMI-DADE COUNTY:** The Miami-Dade County Ordinance nullifies all municipal codes to create a unified countywide ordinance that applies to all municipalities equally. However, municipal codes and ordinances are still on the books for many counties. I have left the municipal code info in the full version of my report for those seeking further research on prior residency restrictions in Miami-Dade County, but to avoid confusion among those just seeking current laws in place, I have opted to leave that info out of this report entirely. Miami-Dade Co. has the second highest percentage of Registered Persons who are homeless (514 of 1,642, or 31%), behind Broward Co., according to the 2024 OPPAGA report.

**NASSAU COUNTY:** The definition of "facilities" in the Nassau Co. Residency restriction code was so long, it could not fit in the spreadsheet.

Nassau Co. Code, Sec. 19¼-26. - Definitions

“Facility means those areas of real property for which a zone or area of protection is established. They are defined areas and locations devoted to use, and which possess a character and usage, which makes them places where children regularly congregate in, concentrated numbers. They are further described as: Places of public amusement or attraction such as auditoriums, arenas, bowling alleys, exposition and fairgrounds, waterslides, miniature golf courses, theaters and stages or other facilities for film or the visual and performing arts, and the like; state, county, municipal, and privately owned community centers, youth centers, parks, playgrounds, and recreation centers; athletic and recreational facilities and venues, including baseball fields, basketball courts, football fields, parks, pools, public or private golf courses, racquetball courts, soccer fields, tennis courts, volleyball courts, and skate parks; bathhouses and public restroom facilities; boat ramps, docks, fishing piers, marinas, public beach access and dune walk-overs; camps, family day-care homes, nurseries, and child care facilities, whether public, religious, or private, including, but not limited to, those licensed by the department of children and families; churches, temples, and places of worship, which have child-care, youth centers, and/or regular religious instruction and programs for youth; private, religious, or state, county, and municipal buildings, which have day-care facilities, and/or schools and institutions of learning, (but specifically excluding jails and places of adult or juvenile detention). "Schools" shall also include public or private school designated bus stops; facilities devoted to health care needs of children, including the clinics, offices, and medical facilities of doctors, dentists, orthodontists, optometrists, and other health-care providers, clinics, and the like which are devoted to the health-care needs of children.”

It is not specified in the code that the residency/proximity restriction ordinances are in effect countywide; while the 2024 OPPAGA report claims that it is, only the registry fees (Div. III of Ch. 19¼, Art. II) states that “This division shall apply to incorporated as well as unincorporated areas of the county.”

**OSCEOLA COUNTY:** Osceola County Code, Sec. 14-78. – Applicability, states, “This article shall apply to, and be effective within the unincorporated areas of the county and within incorporated Osceola County, to the extent that the ordinance does not conflict with any municipal ordinance covering the subject matter, activity or conduct regulated herein.” This applies to Kissimmee. There is a conflict between the city of St. Cloud and the County; the county adds school bus stops, libraries, and “other place(s) where children regularly congregate” to the list of prohibited places, while St. Cloud does not.

**PUTNAM COUNTY:** Current Putnam County Sheriff Homer "Gator" DeLoach has routinely harassed Registered Persons to compel them to move. In February 2025, he exploited building code ordinances to shut down a trailer park housing a few Registered Persons, referring to the park as a “cesspool” of “sex offenders”, adding in a media interview, “Not in Putnam County and over my dead body are we ever going to let Putnam County become a sanctuary for these kinds of individuals.” DeLoach successfully lobbied to have a county ordinance passed (8/29/25)

**ADDITIONAL STATS:** Overall, 220 out of 478 total municipalities and counties (46%) have some form of additional residency restrictions on their books (if including those covered by countywide ordinances), and 87 have additional proximity or anti-loitering restriction laws in place. Only 12 counties have not been confirmed to have any additional restrictions other than those listed in the state law.
